8:00	Keynotes: Nanotech & Cleantech & TechConnect, <i>General Assembly Theater</i> Keynote speakers are: Dan Arvizu - Director, National Renewable Energy Laboratory (NREL), U.S. Department of Energy - <i>The Nanotech Revolution in Renewable Energy</i> Thomas Kalil, Office of Science and Technology Policy, The White House, US Ray O. Johnson - CTO, Lockheed Martin - <i>Innovation for a Secure Future</i> Robert J. Kumpf - CAO, Bayer Material Science - <i>The Next Big Thing is Really Small</i>				
10:00	Coffee Break sponsored by Spinger, <i>Main Foyer</i>				IP Track Sponsored by Foley & Lardner LLP
10:30	Carbon: U.S. & International Cap & Trade, 320AD, p.67	Clean Coal: State of the Industry Panel, 320CF, p.67	Solar: Advanced Photovoltaics - 1, 310CF, p.67	Water: Market Opportunities, 310AD, p.67	Carbon: U.S. & International Cap & Trade, 320AD, p.67
	Green Building: Policy & Finance, 320BE, p.67		Marine, Tidal, Hydro Energy, 310BE, p.67	Energy Storage - 1: Lockheed Martin Symposium, 330AB, p.67	IP - Licensing Strategies & Transactions, 350DE, p.53
12:00	LUNCH (on own)				
1:30	Carbon: Emission Politics in U.S., 320AD p.71	Clean Coal: Technology & Finance, 320CF, p.70	Wind Energy, 310BE, p.70	Water: Applications, 310AD, p.70	Clean Coal: Technology & Finance, 320C, p.70
	Green Building: LEED Sustainable Building, 320BE, p.71		Solar: Advanced Photovoltaics - 2, 310CF, p.70	Smart Grid: Technologies to Business, 330AB, p.70	Carbon: Emission Politics in U.S., 320AD, p.71
	CTSI Symposium - Commercial Cleantech Innovation, 340AB, p.71				CTSI Symposium - Commercial Cleantech Innovation, 340AB, p.71
					IP - Navigating the IP Waters, 350DE, p.53
3:00					IP- License Your Portfolio, 350DE, p.53
3:00	Coffee Break sponsored by Spinger, <i>Main Foyer</i>				
3:30	CTSI Symposium - Commercial Cleantech Innovation, 340AB, p.71				CTSI Symposium - Commercial Cleantech Innovation, 340AB, p.71
4:00	Clean & Sustainable Initiatives & Case Studies, 350F, p.74	Clean Coal: Technology & Company Showcase, 320CF, p.73	Solar: Silicon, Thin Film, & III-V PV Cells & Modules, 310CF, p.73	Water: Industrial Water Treatment Applications, 310AD, p.74	Clean & Sustainable Initiatives & Case Studies, 350F, p.74
			Geothermal - State of the Industry, 350AB, p.74		TC - Consortium Funding, 330AB, p.53
	Green Building: Energy Production & Conservation, 320BE, p.74		Wind Energy, 310BE, p.74		Carbon & Cleantech: Gov. Funding Opportunities, 320AD, p.74
					TechConnect: Early Stage Funding in Lean Times, 370AD, (TBA)
3:30					TechConnect: Funding in Lean Times, 370AD, (TBA)
5:00					CTSI Special Symposium - Executives Roundtable Discussion, 340AB, p.74
6:00	Welcome Reception - TechConnect World: Nanotech, Cleantech, TechConnect: Sponsored by Jackson Walker, Foyer				
6:15	CTSI Member Reception, Prospective and Existing Members (Membership or Invite Required), <i>Grand Ballroom</i>				

All TechConnect sessions take place in the TechConnect Marketplace in the Expo Hall.

Tuesday, May 5					
8:00	Keynotes: Nanotech & Cleantech & TechConnect, <i>General Assembly Theater</i> <i>Jeff Moseley, Greater Houston Partnership, President & CEO, US - Welcome TechConnect World to Houston</i> <i>Paul Dickerson, HaynesBoone, former COO Office of Energy Efficiency & Renewable Energy, DOE, US - Can Uncle Sam Cure What Ails Clean Tech?</i> <i>William H. White, City of Houston, Mayor, US - Welcome to Houston</i> <i>Larry Kellner, Continental Airlines, CEO, US - Flying into the Future: Continental's Commitment to the Environment</i> <i>Anatoly Borisovich Chubais, Russian Corporation of Nanotechnologies, Director General, RU - RUSNANO: Driving the Nanotech Industry Growth</i>				
10:00	Coffee Break in Expo Hall Cleantech Expo Opens (10:00 - 6:00) Poster Set-Up in Expo Hall				
10:30	Sustainable Industries & Communities, 350DE, p.78	Nanotech for Oil & Gas, 340AB, p.77	Bio Energy: Novel Technologies & Projects, 310BE, p.77	Energy Storage Technology, 330AB, p.77	Sustainable Industries & Communities, 350DE, p.78
			Solar: Technology to Business Review, 310CF, p.77		Solar: Technology to Business Review, 310CF, p.77
	TechConnect Partnering Talks: BASF, BP, Genzyme, Medtronic, GlaxoSmithKline, Merck, Applied Materials, Lockheed Martin, Room A & B, p.54				
11:00	Green Building: USGBC - Energy Efficiency for Independence, 320BE, p.78	Natural Gas: A Bridge, Enabler and A Destination - Vision, 320CF, p.77	Geothermal, 350F, p.77	Water: Treatment & Distribution, 310AD, p.77	Carbon: Credit, Carbon Markets and Clean Tech Investment, 320AD, p.78
	Carbon: Credit, Carbon Markets and Clean Tech Investment, 320AD, p.78				
12:00	LUNCH (Available for purchase in Expo Hall)				
12:30	Clean & Sustainable Strategies & Case Studies, EHTheater, p.78				Clean & Sustainable Strategies & Case Studies, Expo Theater, p.78
1:00			Solar: High Efficiency PV - 1, Lockheed Martin, 310CF, p.81		
1:30	Green Building: Building Systems, Materials & Construction - 1, 320BE, p.81	Natural Gas: A Bridge, Enabler and A Destination - Implementation, 320CF, p.80	Bio Energy - Novel Technologies & Projects, 310BE, p.80	Water: Technologies & Wastewater, 310AD, p.81	TechConnect IP: Energy & Efficiency, Room D, p.55
	Sustainable Industries & Communities, 350DE, p.81	Nuclear Energy, 350F, p.80		Smart Grid: Technologies to Business, 340AB, p.81	Sustainable Industries & Communities, 350DE, p.81
	Carbon: Opportunities and Risks in Carbon Markets, 320AD, p.81	Nanotech & Cleantech for Oil & Gas, 370CF, p.80		Energy Storage Technology, 330AB, p.81	Carbon: Opportunities and Risks in Carbon Markets, 320AD, p.81
2:45	Carbon: GHG Management & Tracking, 320AD, p.82				Carbon: GHG Management & Tracking, 320AD, p.82
3:00	Coffee Break in Expo Hall, Nanotech Poster Session, Reception Sponsored by Opportunity Houston (4:00 - 6:00)				
3:00	Energy Storage - 2: Lockheed Martin Symposium, 330AB, p.83		Bio Energy - Company Showcase, Expo Theater, p.83	Energy Storage - 2: Lockheed Martin Symposium, 330AB, p.83	TechConnect IP: Water & Remediation, Room D, p.57
3:30		Natural Gas: A Bridge, Enabler and A Destination - Policy & Market, 320CF, p.83		Smart Grid: Technologies to Business, 340AB, p.83	Smart Grid: Technologies to Business, 340AB, p.83
		Nanotech & Cleantech for Oil & Gas, 370CF, p.83			
4:00			High Tech for Solar, 310CF, p.83		
4:30			Solar: Case Studies & Company Profiles, Expo Theater, p.93	TechConnect Ventures: Energy & Efficiency, p.58	TechConnect Ventures: Energy & Efficiency, Room B, p.58
5:00	Nano World Headquarters Reception, serving Saint Arnold Brewing Company, Texas' Oldest Craft Brewery - 5:00 pm, Booth 905

Wednesday, May 6

8:00	Keynotes, <i>General Assembly Theater</i> <i>R. James Woolsey, VantagePoint Venture Partners - Energy in the 21st Century: Muir, Patton, and Gandhi</i>				
8:30	Keynote Panel, <i>The Future of Energy, General Assembly Theater</i> <i>Patti Glaza, CEO and Executive Director, CTIS, Moderator</i> <i>Doyle Beneby, Exelon, President, Exelon Power, US</i> <i>John Baker Jr., Austin Energy, CSO</i> <i>Curtis R. Frasier, Shell, VP Americas</i> <i>Matt Simmons, Chairman, Simmons & Company, US</i> <i>Jeff Renaud, Director, GE Ecomagination, US</i>				
10:00	Coffee Break in Expo Hall Expo (10:00 - 4:00) Poster Set-Up in Expo Hall				
10:30	Remediation & Brownfield Development, 320CF, p.98		Solar: Integration & Case Studies, 310CF, p.98	Energy Storage: Fuel Cells, 310AD, p.98	Clean Tech & Carbon Venture Capital, 320AD, p.98
	Green Building: Building Systems, Materials & Construction - 2, 320BE, p.98	Nuclear Energy: Distributed Nuclear Generation, 310BE, p.97			TechConnect IP: Energy & Efficiency, Room D, p.61
	Green Chemistry, 350DE, p.98				
	Clean Tech & Carbon Venture Capital, 320AD, p.98				
12:00	LUNCH (Available for purchase in <i>Expo Hall</i>)				
1:00	TechConnect Partnering Talks: Lockheed Martin, Eastman Kodak, Philips, Samsung, Honda, Dow Chemical, Omron, Sanyo, <i>Room A & B, p.61</i>				
1:30	How Cleantech Capital Markets are Weathering the Downturn, 330AB, p.99				How Cleantech Capital Markets are Weathering the Downturn, 330AB, p.99
	Clean & Sustainable Strategies & Case Studies, <i>Expo Theater, p.100</i>				Clean & Sustainable Strategies & Case Studies, <i>Expo Theater, p.100</i>
1:30	Poster Session, 1:30 - 3:30, <i>Expo Hall</i>				
2:30	Clean Finance & Investment, 320AD, p.100		Solar: Case Studies & Company Profiles, <i>Expo Theater, p.100</i>		Clean Finance & Investment, 320AD, p.100
3:00	Smart Grid: Lockheed Martin Symposium, 340AB, p.108		Solar: High Efficiency PV - 2: Lockheed Martin Symposium, 330AB, p.108	TechConnect Ventures: Water & Environment, 310 CF, p.62	TechConnect Ventures: Water & Environment, 310 CF, p.62
3:30	Ride and Drive Clean Vehicle Showcase - <i>Outside Entrance to GRB Convention Center</i>				
3:30	Carbon: Trading - View from the Floor, 320AD, p.111	Nuclear Energy: Hybrid Energy Systems, 320CF, p.110		Hydrogen - Storage and Technology, 320BE, p.110	Carbon: Trading - View from the Floor, 320AD, p.111
	Waste & Emissions Management, 350DE, p.111				
	Green Chemistry, 361BE, p.111				
	Clean Transportation, 350AB, p.111				
	Green Computing, 350F, p.110				
5:00			TechConnect Ventures: Solar, 310CF, p.64		TechConnect Ventures: Solar, 310CF, p.64
6:00	CTSI Sponsored Networking Reception, Main Foyer
