MAUI COLLEGE

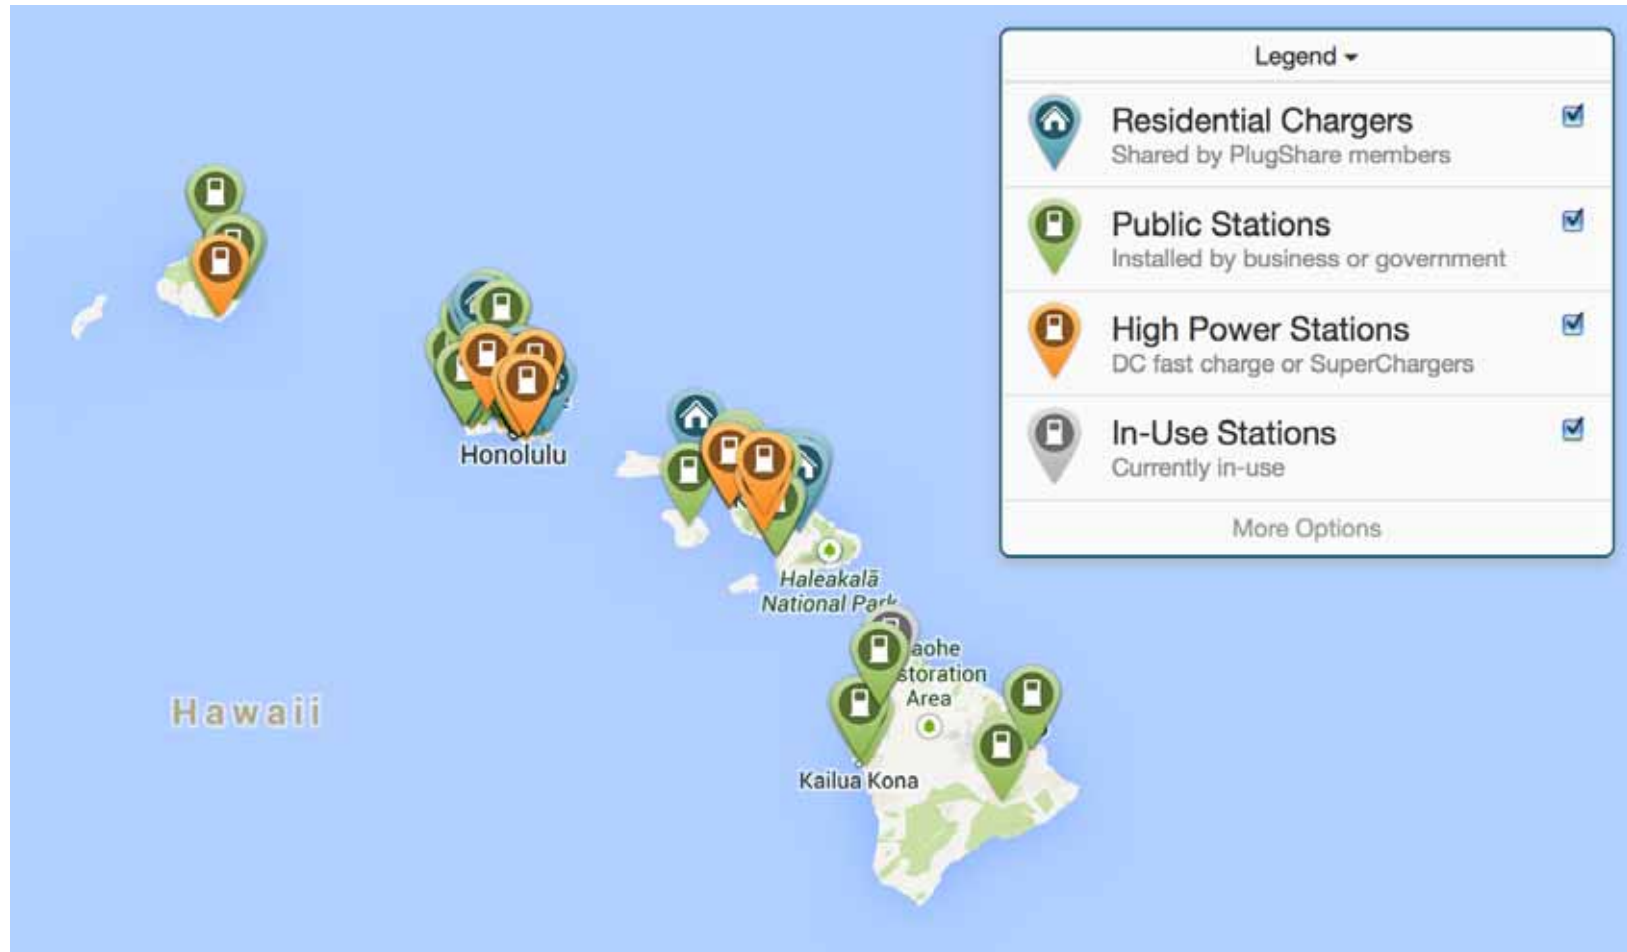

- Why Hawai`i?
- Maui Electric Vehicle Alliance (Maui EVA)
- Berkeley Law
- Neighbor Island Outreach
- Key barriers and solutions

Key Barriers

- Inadequate public charging
- Barriers to rooftop PV to lower charging costs
- Lack of EV awareness

Current Charging Locations

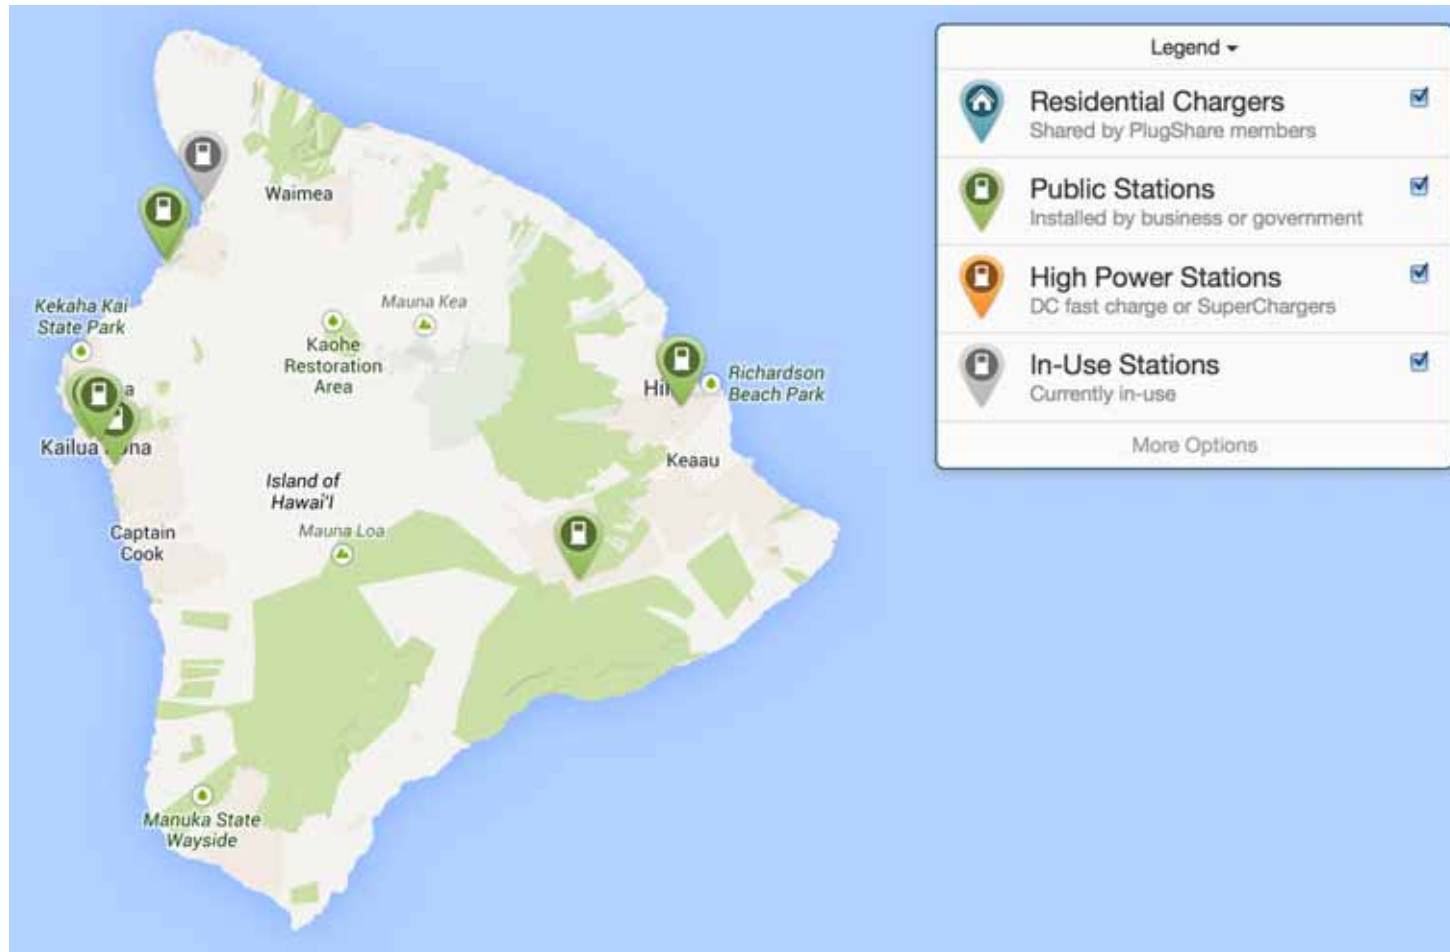

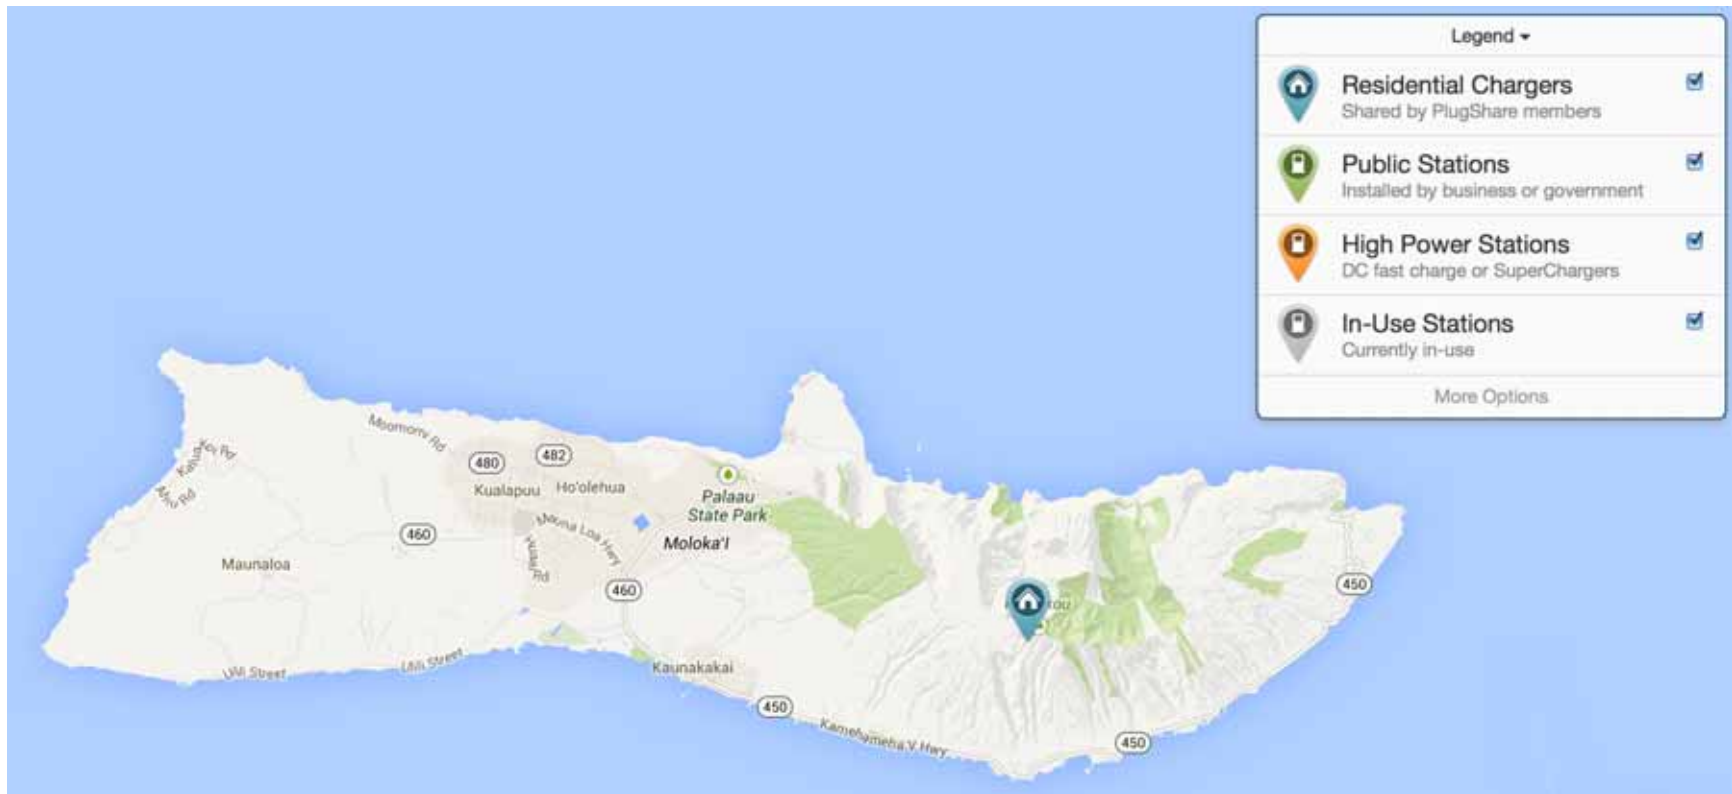

Solutions

- Plan and Promote Charging Infrastructure
 - ID key sites & business sponsors
 - Align rates and incentives
- Utility policies to promote renewables
 - Lift net metering “cap”
 - Harness storage opportunities
- Promote EVs
 - Enforce state parking law
 - Educate businesses

Solving Range Issues on the Big Island

Moloka'i Charging and Rentals
